Who's to say what progress is? Some have been fascinated by the age of technology, discos & women's lib during the 70's; however, others convey different opinions. They prefer the famous era of slow-moving craziness with the likes of the charleston, racoon coats, college campus pranks & post war adjustments. What was this unfamiliar time in our history? The 20's, of course.

Whatever era we took part in during this 50-year time span, our high school years will always remain the GOLDEN YEARS.

# Golden Years

Old days—good times I remember,
Fun days—filled with simple pleasures,
Drive-in movies,
Comic books and
Blue Jeans,
Howdy Dowdy,
Baseball cards and
Birthdays,

Take me back to a world gone away
Memories, seem like yesterday
Old days—good times I remember
Gold days—days I'll always treasure
Funny faces,
Full of love and laughter
Funny places,
Summer nights and
Street cars

Take me back to a world gone away
For good memories seems like yesterday
Old days—good times I remember.

## Lindbergh makes first solo flight to Europe

PARIS, France, May 21, 1927—American air mail pilot Charles A. Lindbergh landed in Paris tonight. He made the first solo/non-stop flight in history across the Atlantic Ocean.

He touched down at 10:24 P.M. at Le Bourget Field outside Paris in his tiny monoplane, the Spirit of St. Louis. An estimated 100,000 people gathered at the airfield for his arrival.

Lindbergh left New York at 7:51 A.M. yesterday in a drizzle. He flew 3,610 miles in 33 hours, 29 minutes and 30 seconds.

He landed here in high spirits and in fine physical condition. He said he could have gone "half as far again."

He munched sandwiches for nourishment and sipped hot coffee from a thermos bottle to keep awake during the trip.

The flight presented few problems, he said. "At one time there was considerable sleet and ice on the bow of the plane," he told reporters, "and I was a little concerned. But it cleared up."

Apparently the flight earned Lindbergh a $25,000-prize. The prize was offered eight years ago by New York hotel owner Raymond Orteig for the first non-stop ...

Lindbergh's flight began at Roosevelt Field, Long Island. He flew over Nova Scotia and Newfoundland, and then followed the Great Circle Route to the British Isles. This afternoon he was spotted over Ireland.

Before leaving the United States, Lindbergh had already set a new flight record. It was a coast-to-coast flight from San Diego, Cal., to New York in 21 ... 20 minutes.

**BY JOHN A. JONES**
Times Staff Writer

The stock market Friday wound up a five-day string of losses, completing the heaviest weekly decline since 1929 in the closely watched Dow Jones average of 30 industrial stocks.

At least 1,200 of the 1,800 stocks listed on the New York Stock Exchange declined every day during the week, prompting one analyst to call it "the worst week in stock market history."

The Dow 30 closed Friday at 838.01, down 8.40 for the day and 59.08 points for the week. The previous largest weekly slide in recent history was the 51.78-point week ended Nov.

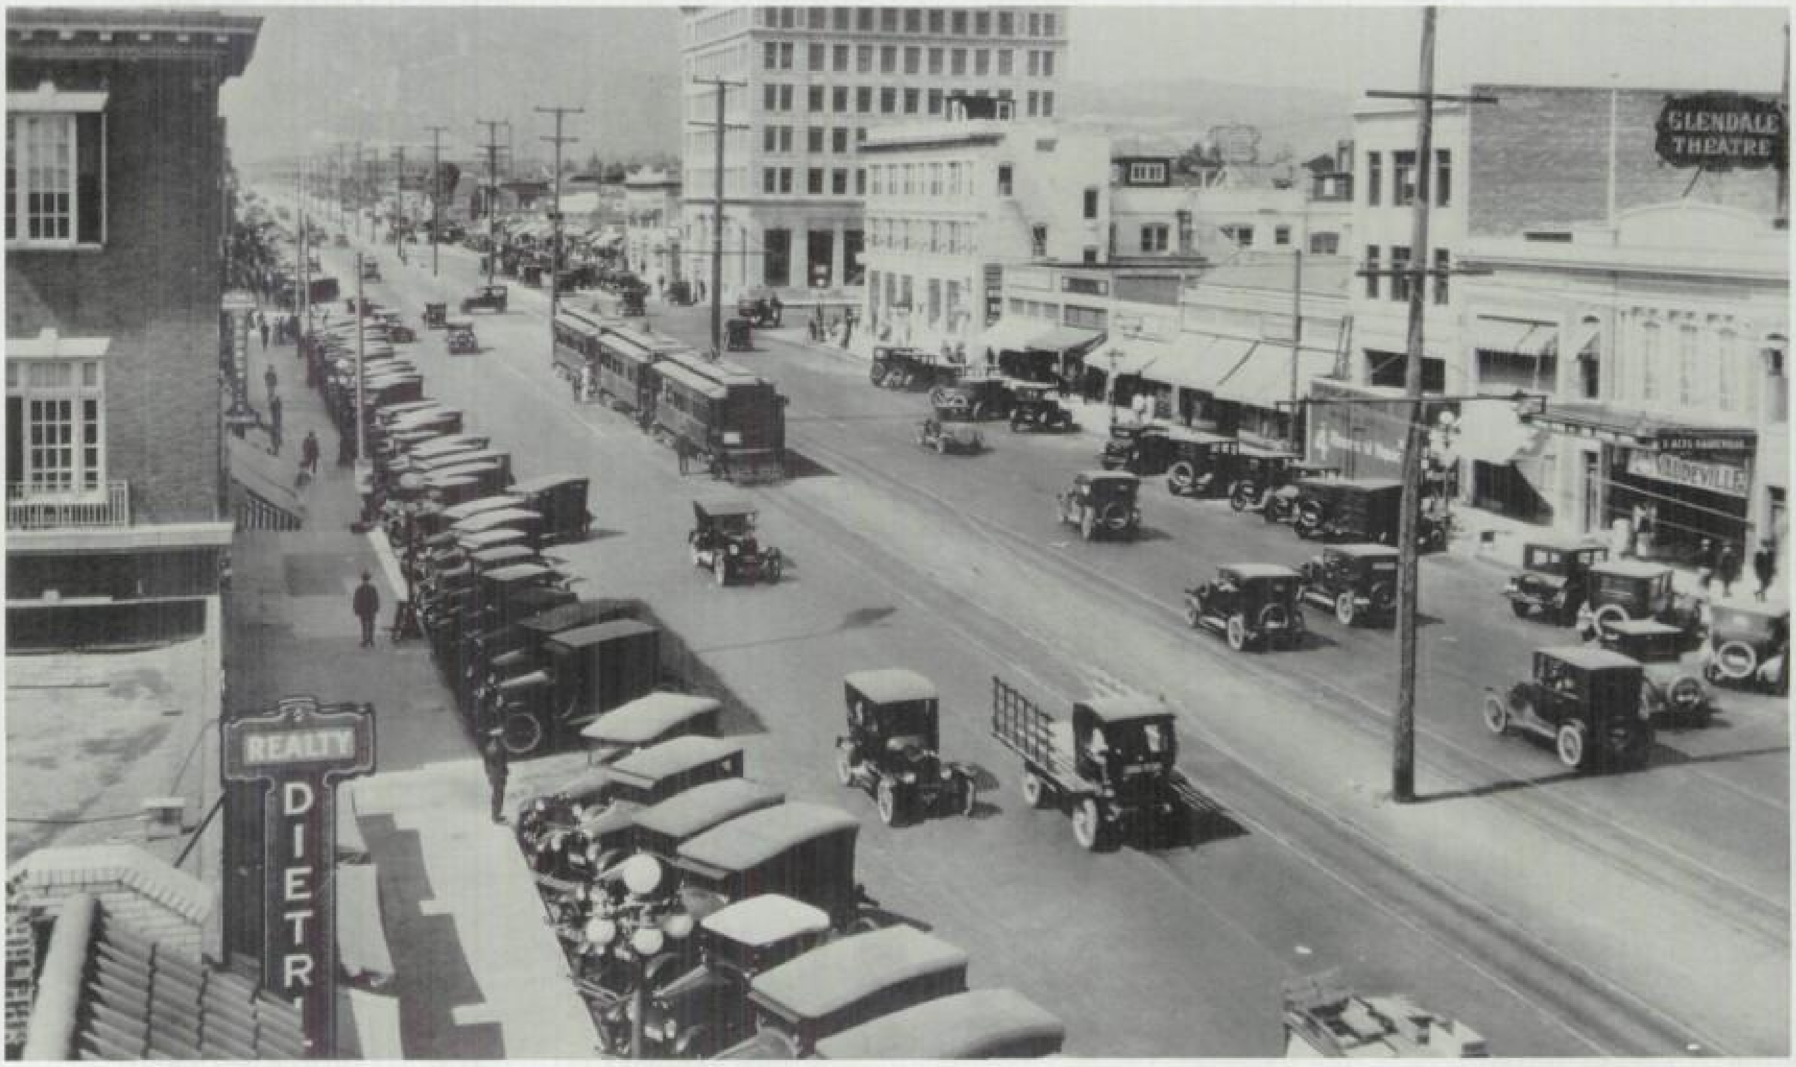
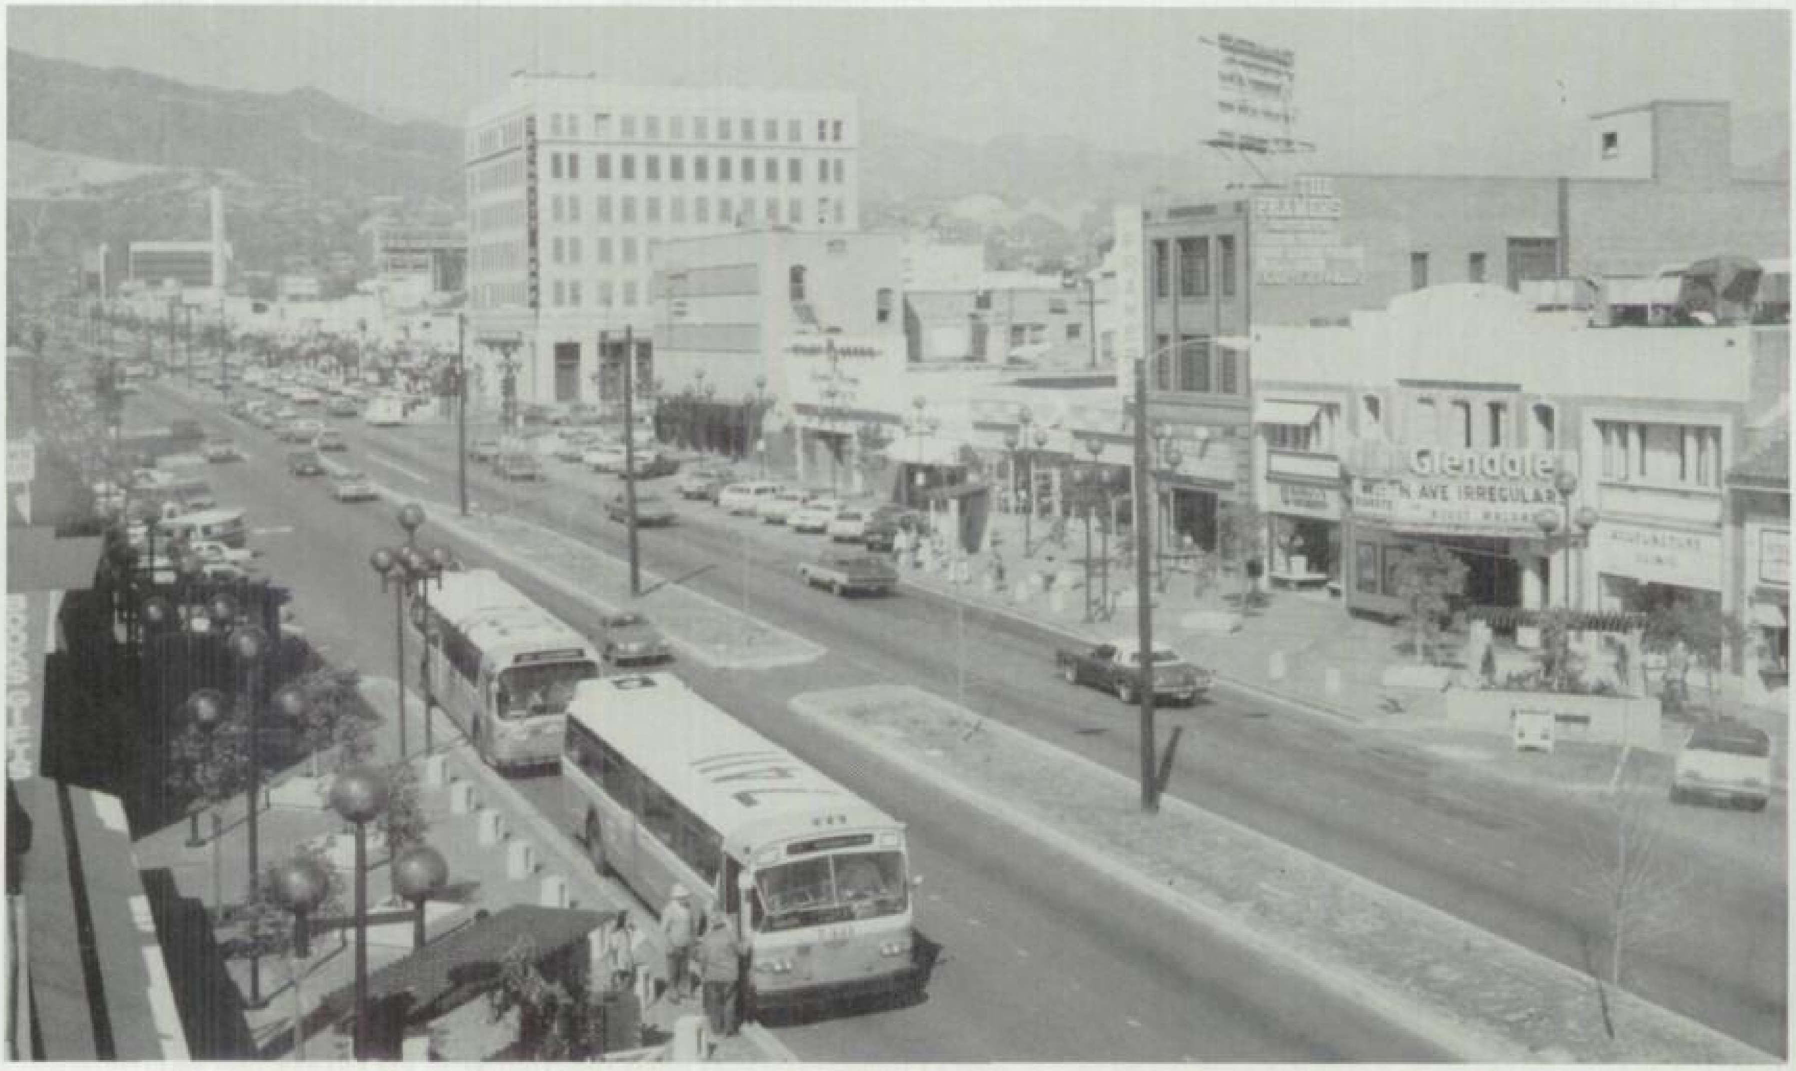
Public education in Glendale began 100 years ago with 11 students in a 1 room school house. As Hoover celebrates its 50th anniversary, there comes a time to reflect on just how far the community has progressed.

Glendale was founded during the mining days and government incorporated in 1906. Since then, Glendale has thrived & grown through floods, fires, earthquakes & energy shortages. Wealthy families, such as the Brands, Harts, & Goodes, have contributed to the prosperity of Glendale.





Some buildings and certain areas have become landmarks & popular spots for Glendale citizens. Hoover has helped popularize these landmarks, which are famous now in their own right.

Had it not been for the pioneers and the contributions of the early families, the Hoover family would not have such a superb community in which to live!

## In Dedication to Ruth Carruth . . .
## Retired June, 1978

Whose love of literature and enthusiasm for teaching gave her the ability to inspire students to do better when they felt they could not. She stressed the importance of questioning not only words and literature, but also life and living. She took a special interest in each of us and saw each one of us as an individual. Her thorough knowledge and constant research gave her superior standards by which to teach. She knew each one of the great authors, almost personally, by her sensitive perception of his works and her own scholarly intellect. Surely Hoover High School will never be able to replace her, nor shall we ever forget the contributions which she so unselfishly gave to us in her many years of teaching.-

PARTY FRIDAY!*
MICKEY MOUSE CLUB

Around campus this year we saw a variety of attire. Some dressed very fashionably, some quite bizarre!! and then there were those who settled for the "casual look". Hoover also saw a change in footwear. "Jelly beans" and spike heels were seen stomping all over school; needless to say it was a far cry from saddle shoes and oxfords. A touch of nostalgia, mixed with the foreign and new, also took part in Hoover's fashion this year. Bow ties, Chemin de Fer and charm holders were some of the items that girls found indispensable in their wardrobes.

The US section tries to capture what happened in your whole world during 78/79. We hope it will bring back nostalgic memories years from now.

These pictures illustrate the events which occurred during your years in high school. The flight of the American balloon Double Eagle across the Atlantic Ocean made by three courageous men, Maxie Anderson, Ben Abruzza & Larry Newman. Then came the peace talks between Egypt & Israel at Camp David. President Anwar Sadat & Prime Minister Menachem Begin met to discuss peace in the middle East

The terrifying crash of the Pacific Southwest Airways 727 in San Diego killed 150 people, when the 727 collided with a student pilot's rented plane. Pope John Paul II was appointed the 2nd pope in one year, to the shock of the Italian people. He was Polish & the first non-Italian pope in 450 years. The birth of the first test-tube baby, Louise Brown, in England, opened new doors to the future & gave hope to thousands of childless couples.

Not all activities at Hoover were outside the classroom. In fact, some of the most interesting & important happened inside. Take a visual tour with us to renew your memories, seeing the classes & products that you took for granted every day.

Memories,
Pressed between the pages of my mind
Memories,
Sweetened through the ages just like wine
Memories,
Of holding hands and red bouquets
And twilights trimmed in purple haze
With laughing eyes and simple ways
And quiet nights and gentle days with you

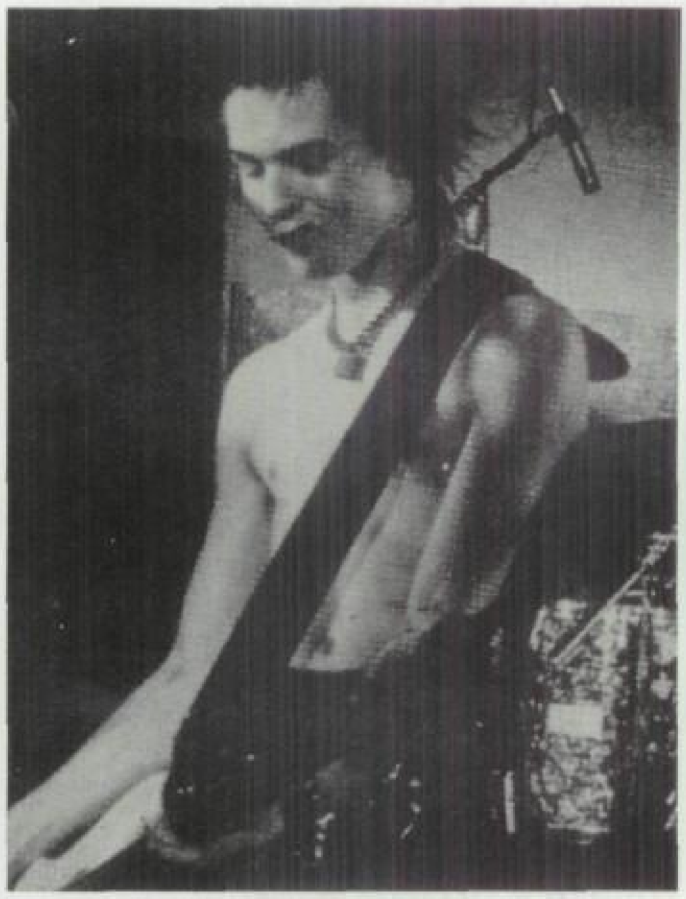
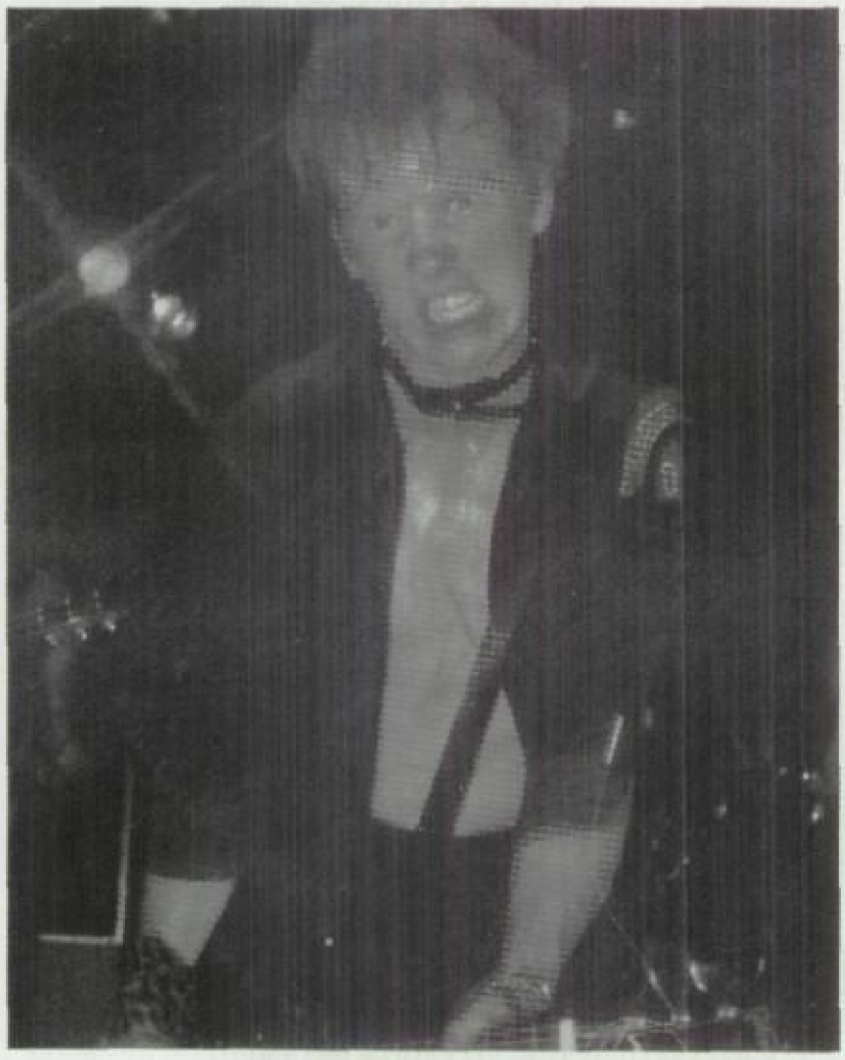
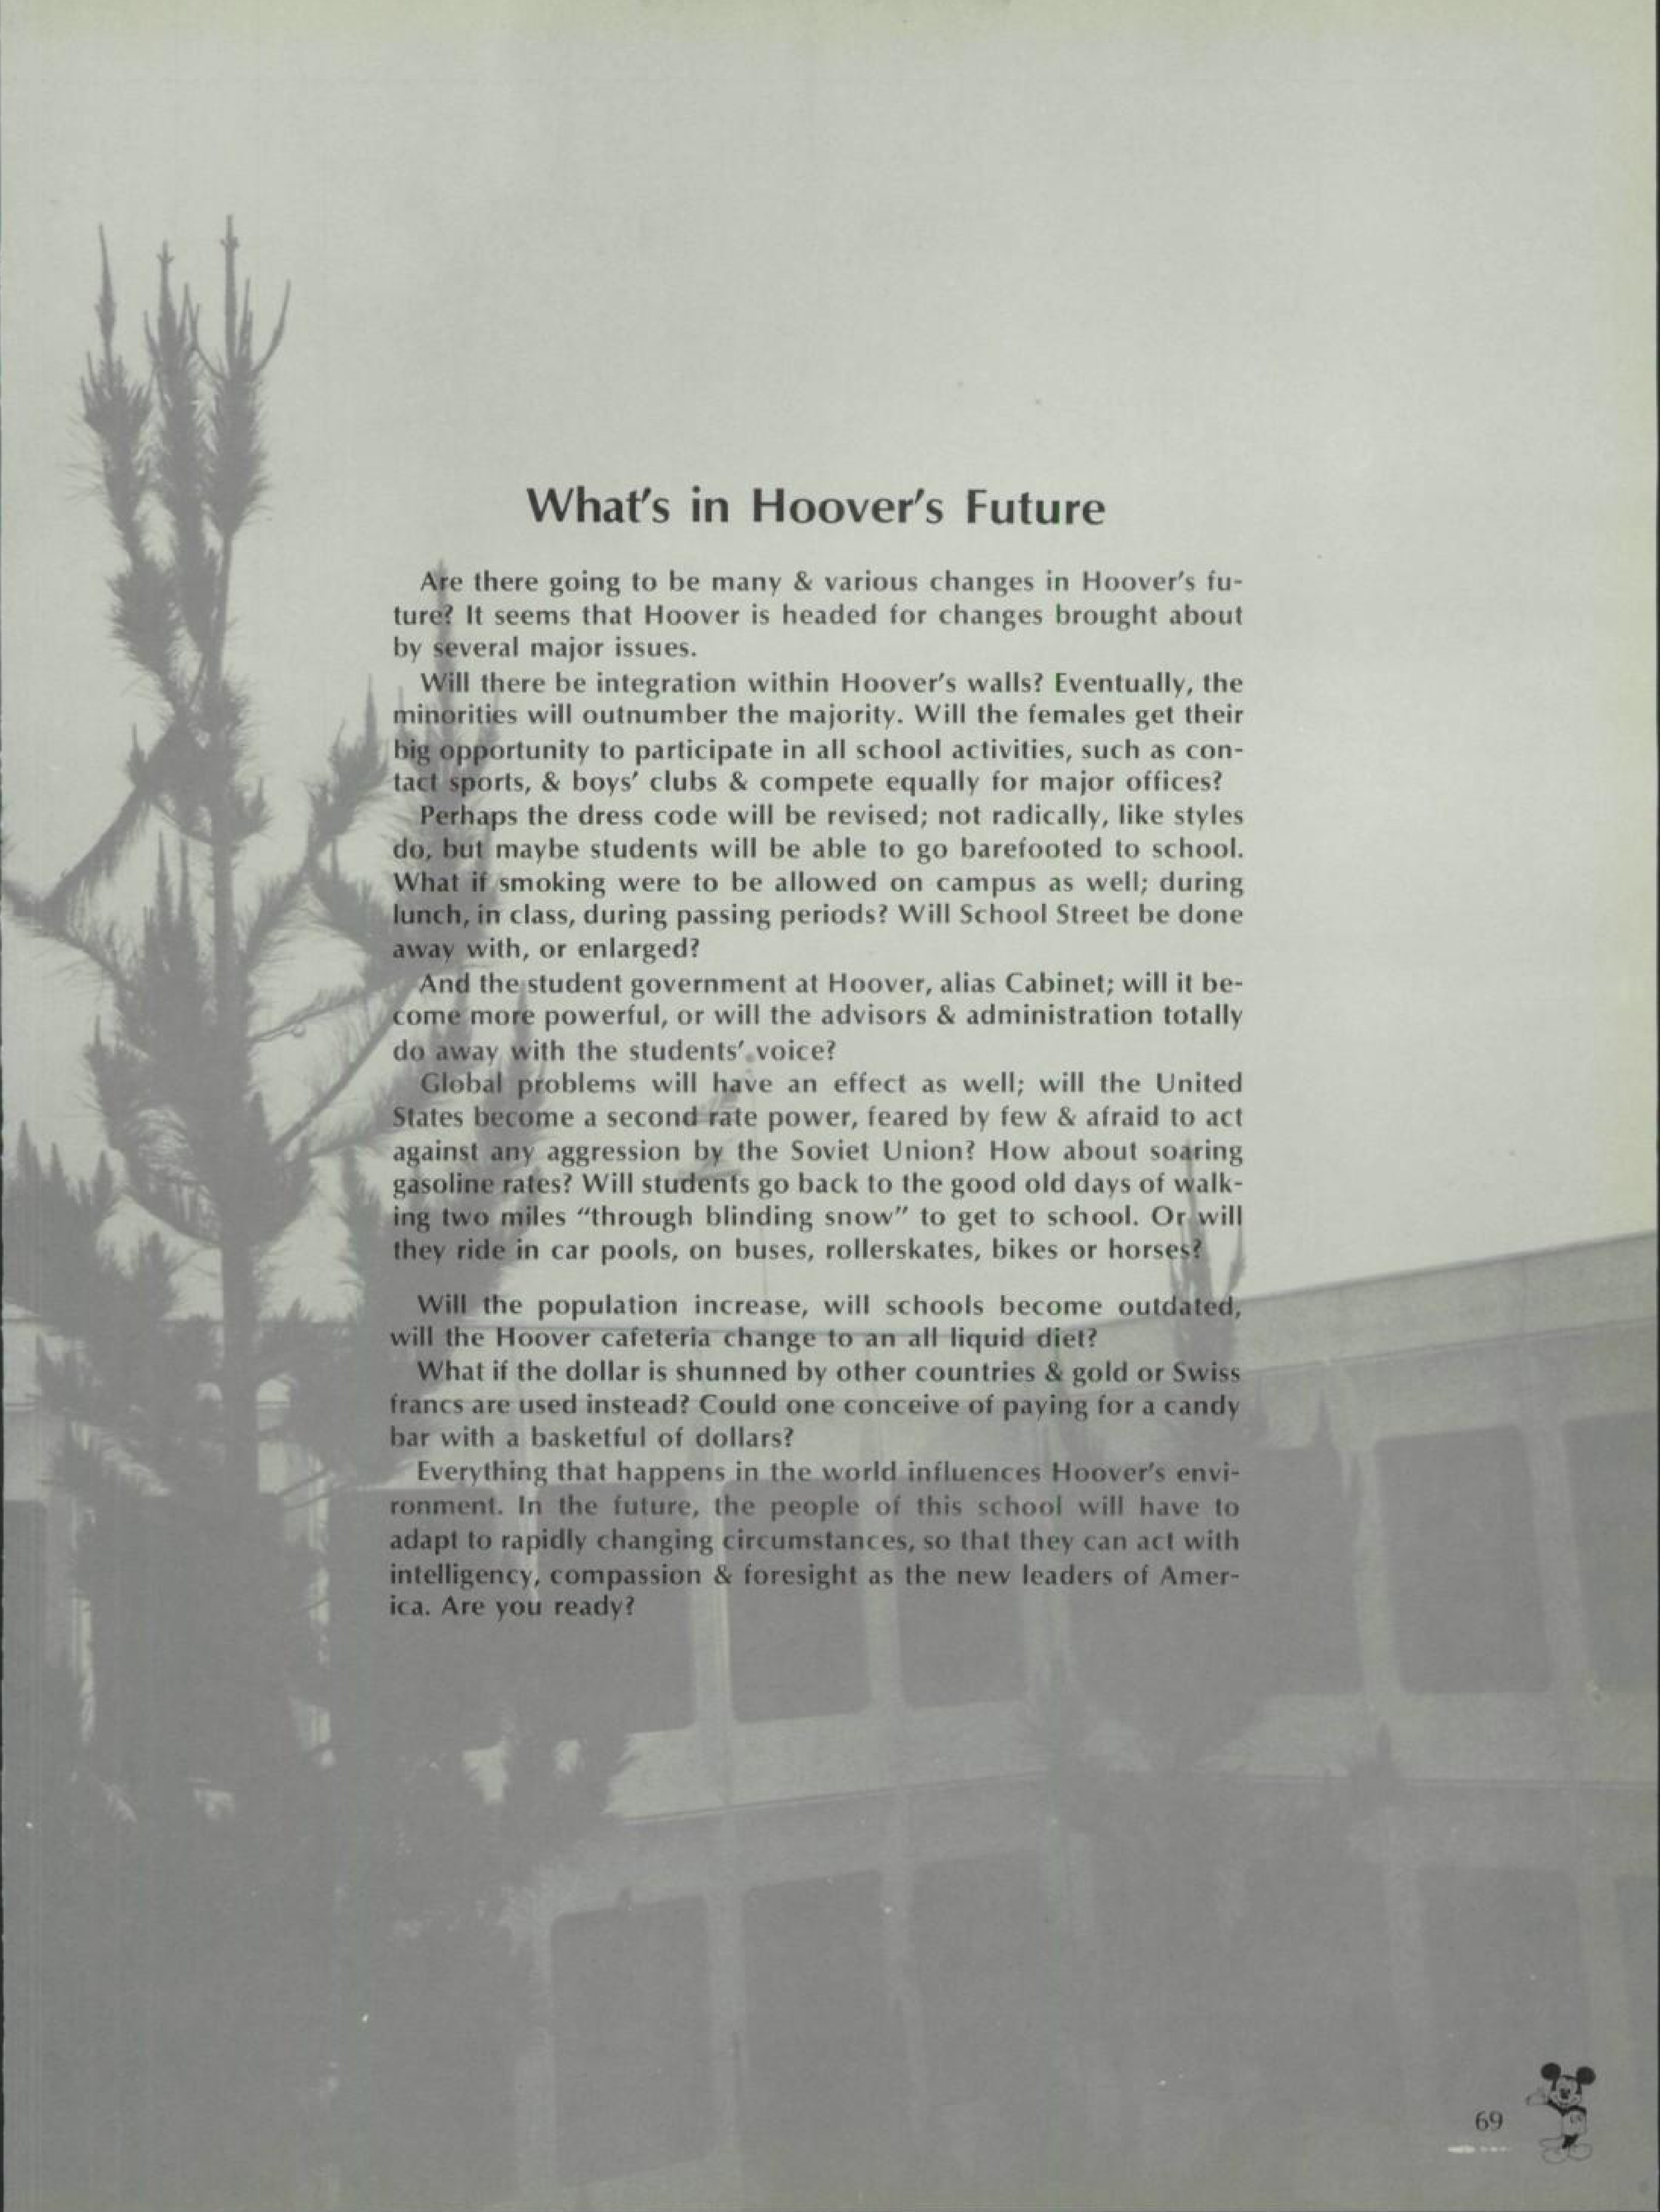
Music has passed through many changes and styles, from instrumental melodies of the Big Band era to the birth of Rock and Roll in the 50's. As our attitudes became more open, so did our music. Now new Wave or Punk rock has arrived. It is an energetic, spontaneous and original sound format. The lyrics themselves most often deal with views of society and life in general and are performed in an aggressive manner, performers literally screaming the lyrics. Punk Rock dress is bizarre—imagine safety pins through noses, short straight hair and painted faces, etc. . .







# What's in Hoover's Future

Are there going to be many & various changes in Hoover's future? It seems that Hoover is headed for changes brought about by several major issues.

Will there be integration within Hoover's walls? Eventually, the minorities will outnumber the majority. Will the females get their big opportunity to participate in all school activities, such as contact sports, & boys' clubs & compete equally for major offices?

Perhaps the dress code will be revised; not radically, like styles do, but maybe students will be able to go barefooted to school. What if smoking were to be allowed on campus as well; during lunch, in class, during passing periods? Will School Street be done away with, or enlarged?

And the student government at Hoover, alias Cabinet; will it become more powerful, or will the advisors & administration totally do away with the students' voice?

Global problems will have an effect as well; will the United States become a second rate power, feared by few & afraid to act against any aggression by the Soviet Union? How about soaring gasoline rates? Will students go back to the good old days of walking two miles "through blinding snow" to get to school. Or will they ride in car pools, on buses, rollerskates, bikes or horses?

Will the population increase, will schools become outdated, will the Hoover cafeteria change to an all liquid diet?

What if the dollar is shunned by other countries & gold or Swiss francs are used instead? Could one conceive of paying for a candy bar with a basketful of dollars?

Everything that happens in the world influences Hoover's environment. In the future, the people of this school will have to adapt to rapidly changing circumstances, so that they can act with intelligency, compassion & foresight as the new leaders of America. Are you ready?

The Senior class of 1979 showed they were still the one with their fantastic enthusiasm and spirited performance during the BGD assembly. Their entrance was devastating, complete with pom-pons, clapping, stomping, and screaming to the music of "Fire On High". When the curtain rose, the auditorium was flooded by the brilliantly lit "79" sign, surrounded by swirling fog. It was obvious that the seniors had dominated BGD.

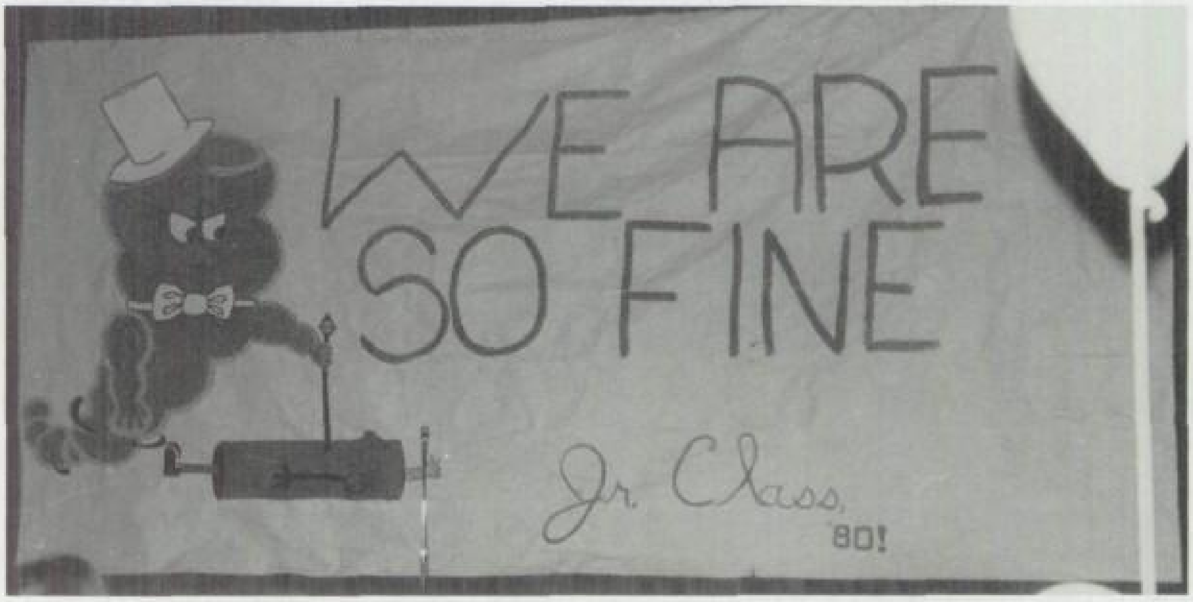
# Our Overall BGD

This year our traditional Beat Glendale Day showed more enthusiasm and school spirit than ever before. BGD has been the spirit-raiser for victory for over 20 years. Parades, signs, rallies, and a fantastic assembly were the highlight of our day.

# Junior BGD

"Revenge of The Pink Panther" the Junior BGD Theme has been one of the most original ideas presented in BGD Competition, and will be long remembered among the class of 1980. The Juniors received trophies for both their pool wall sign and creative speech. They'll most definitely be the class to reckon with next year.



The Sophomore BGD Theme "You ain't seen nothing yet" certainly illustrated their performance during BGD Competition. The class of '81 shocked the entire student body with an outstanding skit, colorful signs which tied in with a tremendous show of spirit to top it all off!!

# 50's Day And Halloween Day

**Roaring 50's Day**-Hoover's Cabinet decided to wake up the students this year by sponsoring a 50's Day, a fun way to break up the monotony of attending school. Students dressed up in long skirts and rolled-up sleeve T-shirts. At lunch contest were held, such as tricycle drags, goldfish swallowing, and last but not least, a Volkswagen-stuffing contest. The seniors took this contest easily by squishing 26 seniors into one Volkswagen bug. These games were enjoyed by all those who participated.

**Happy Halloween Day**-Since high school students look funny "trick or treating" on Halloween, Cabinet sponsored a Happy Halloween Day. This was complete with costumes, contests, and scarey music. Many students dressed up and joined in the apple-bobbing contest and many other activities. We had far more students participate this year than in other years. This was a day not to be forgotten.

# Junior Prom "Close To You"

On the night of February 23, 1979, Elizabeth Milner was crowned Queen of the Junior Prom, as her escort, Tim Hammer happily looked on. Princesses pictured are Kelly McCune, Jill Galletly, Keely King, Donna Moore.

The 1979 Junior Prom was held in the Crystal Ballroom of the Biltmore Hotel, from 8 pm to 1 am. Brent Wiesse & Martha Brandon were in charge. The menu was chicken, rice, peas & Boston cream pie. Music was provided by Horizon, who played such favorites as Night Fever.

Now this year at Hoover is over for me. I am looking back to a great year which I'll never forget. It was such a wonderful experience to stay here and to get to know the customs of a foreign country. It is sometimes hard to get used to the habits of a foreign country but it was made easy for me by the warm reception I received from you, Hoover.

I, in particular want to thank the Friensens for being a host-family for me. That I had such a wonderful time I owe to this nice family.

Since the students at Hoover were very nice and helpful I got to know many new friends. I hope all of you know that if you go to Germany you have to stop at my house for a visit. Let's always keep in touch.

My year at Hoover has been a great experience I'll never forget: the many great friends that I have gotten, the teachers help, and I have had so much fun and a great time at Hoover. Thank you to everyone.

I also want to thank my host family for this year, the Whites. They have been a really good family almost as my own.

I hope that I can really keep in touch and if you want to write me or come visit me in Denmark my address is:

Hi Tornadoes!

First of all I would like to thank everyone who has done much for me. I really had much fun at Hoover. The students and teachers are very nice. I saw many things that I would not have seen in Indonesia.

Hoover has added many experiences into my life that I won't be able to forget easily. I am impressed of the activities at Hoover. There are many traditions here at Hoover as well as the various things that was done by the students. Football game, basketball games, and many other games were interesting. Although the ASB had done a good job but I want to see in the next few years an ASB that is much better. I really want to come back here if I have an opportunity. I will be very happy to answer letters to whoever wishes to write letters to me. I like writing letters.

What a year it's been. The madness of deadlines, the pressure, people yelling back and forth at each other, staying after school until 5:00 p.m. or later, and the headaches. It's worth it though, to see a book being created in front of your own eyes and knowing we as a staff created it-The best book Hoover has ever seen. I will never stop thanking my staff for all the help and creative work. I couldn't have asked for a better staff. Every single section came out great and I'm so proud of every single person. There is not enough room to thank people individually, but I would like to extend my thanks to the section editors, Carol Graham, for layouts; Ruth Soto and Ken Crossman, for photography; Leslie Wright, for the copy of the book; Sherri Staudinger and Katie Johnson, for the Advertising section; and of course, my assistant editors Gae Werner and Adele Grinde. I would also like to extend my appreciation to the student body for the support in buying this year's Scroll.

Thanks with all my heart,

The Purple Press has undergone some changes this year including the size, the texture of the paper, its publishing dates, a new editor, a new advisor, and an off-campus printer. Liz Schilling became editor-in-chief, and Mrs. Lois Neil accepted the position of advisor. The size of the staff doubled, contributing to the paper's diversity in style. Along with the endeavors of the staff members, the administrator's support, and the student body's response, the Purple Press' success should continue to grow.

# You Can't Take It With You.

**You can't Take It With You** is a delightful comedy by Moss Hart & George Kaufman, about two totally dissimilar families, the Sycamores & the Kirbys. The Sycamores believe in the individual & doing what turns each member of the family on, whether it be making fireworks in the basement or ignoring income taxes. On the other hand, the Kirbys are Wall Street snobs & when the Sycamore girl falls in love with the Kirby boy, there are more funny fireworks.

Cast starred Brian Ross, Charlene Weege, Lisa Borhog, Tom Muravez, Cissy Vega, Paul Chadsey, Mark Smith, Scott Russell, David Wheeler, Tracy Thorpe, David Joliffe, Rhonda Tretsven, Ron La Chance, Mark Amir, Ross Bowen, Jesse De Guia, Lorri Weimer.

# A Midsummer Night's Dream

**A Midsummer Night's Dream,** written by William Shakespeare, revolves around several mixed-up love affairs, low comedy buffoons, and an enchanted forest where anything and everything can happen. The cast members were: Blair Zarubick, Scott Luther, Ron La chance, Aida Gigorian, Bill Pierce, Brian Ross, Janet Crosthwaite, David Wheeler, Mike Schultz, Jim Torvinen, Gary Frank, Jesse Deguis, Randy Hoehn, Jon Van Meter, Keely King, Cissy Vega, Sonia Schnitzius, Pam Summerhayes, Yolanda Suarez, Paul Chadsey, and Lori Hollen, Night full of magic, mirth, and merriment.

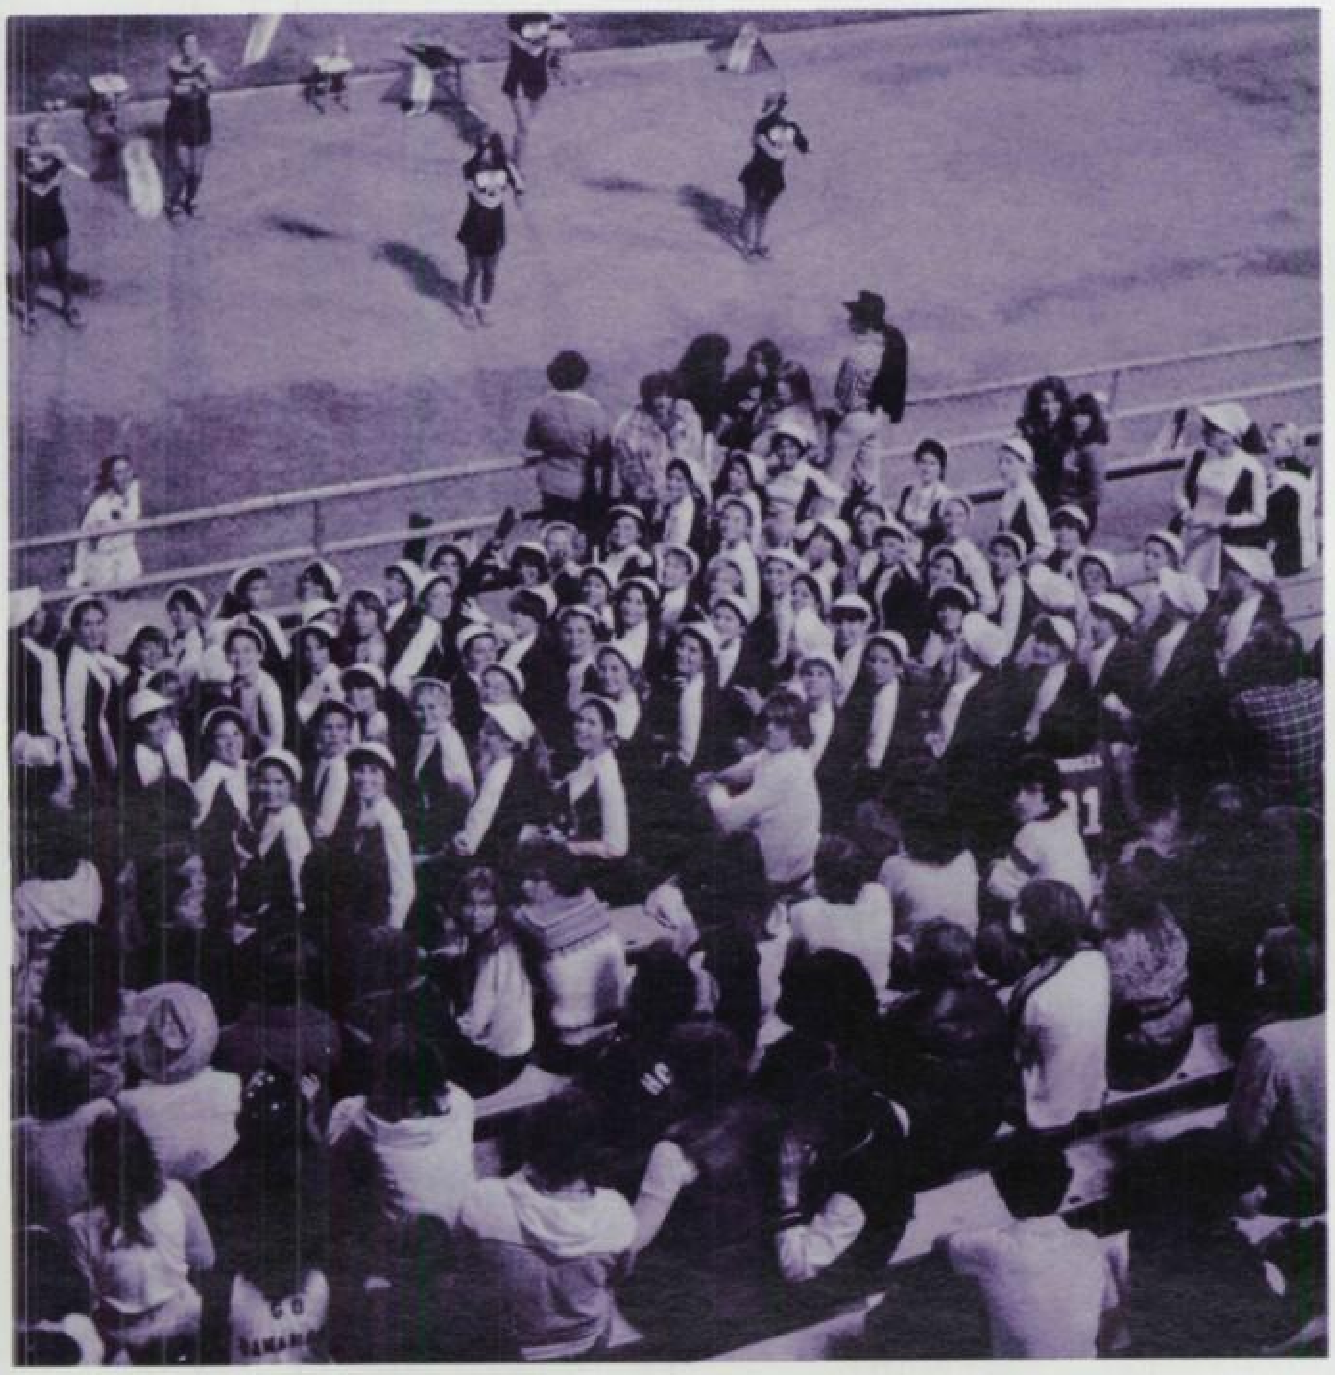
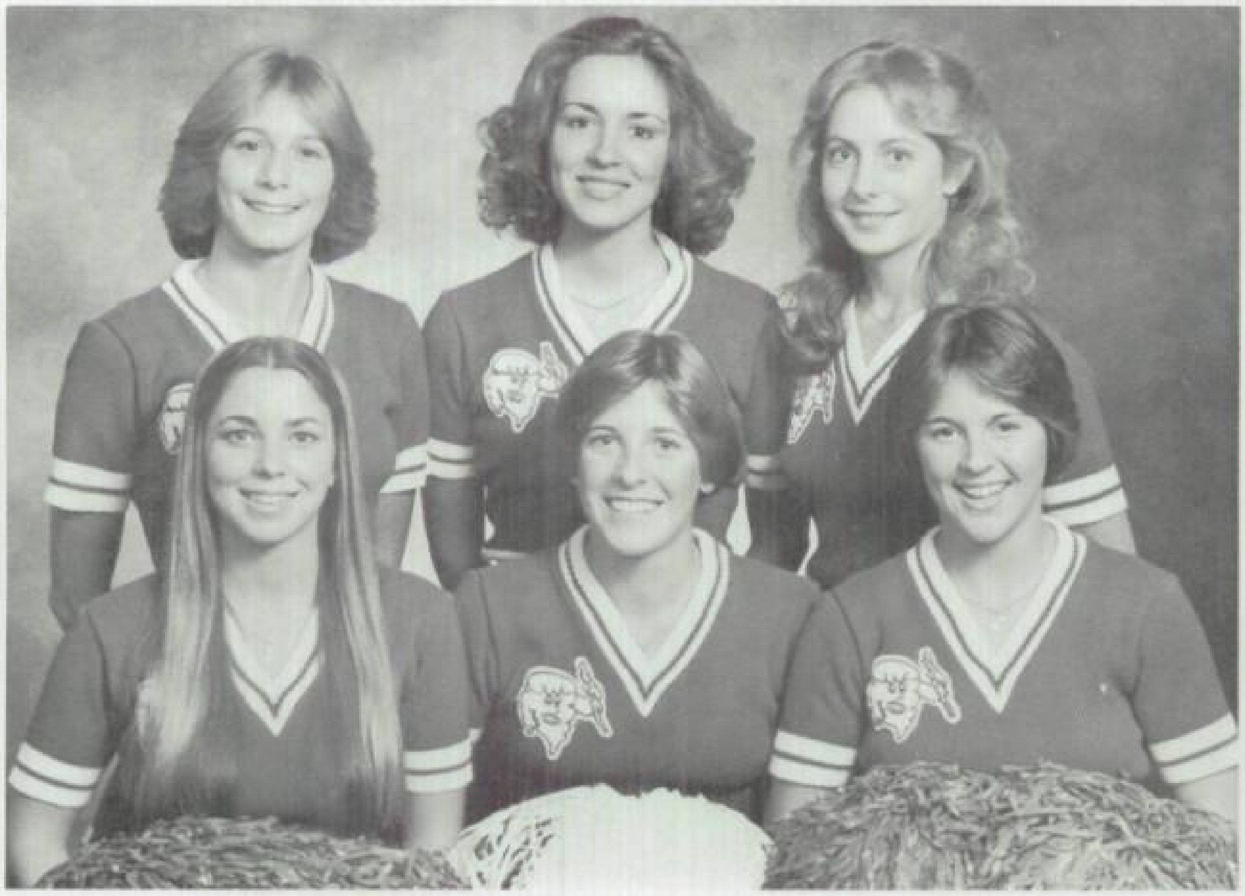
**"Quote Unquote"**
"If you don't know the routine by tomorrow, you're **out** of halftime!"
"Enough already!"
"I'm not spending one more . . . penny on this dumb costume!"
"I'm in love with my secret sweetheart!"
"I can't move in this uniform!"
"I want everyone in splits in 5 minutes!"
"It's shaping up finally!"



Competition this year was held at the Anaheim Sheraton on December 17 & 18, 1978. The hotel was so far away that all through the long ride most of the girls thought they'd get there on time. When they finally managed to arrive, their rooms were not ready. They were assigned rooms after 3:00 p.m. when Mrs. Sarkin used her professional persuasion and started to "throw her weight around." The rooms were scattered all over the hotel, which, as you can imagine, created quite a disaster. After that, there was an exciting moment when 17 Hoover members were stuck in an elevator. Some quotes they blurted out were "We are going to die", "Oh my gosh, I can't breathe!". Their trip to Disneyland was quite wet since it rained most of the night and they didn't get into bed until 1:00 a.m. Amazingly, no one caught pneumonia! Despite all these factors, both groups, dance and military, performed to the upmost of their ability although they did not place. The 1978 Disneyland competition will never to forgotten by the 25 girls who attended.

# Varsity Songleaders

Songleading, like anything else, takes dedication, patience and lots of practice. Many people don't know what really goes on behind the scenes during the busy weeks before their first nervous, but exciting performance. Did you know that our varsity songleaders won a spirit award at camp? Everyone agrees that all the problems, fund raisers, and yelling on the field is worth it when they dazzle the Hoover audience with yet another fabulous routine! The 1979 varsity songleaders are Sue Vertal, Kimberly Loomis, Laurie Pote, Jill Derris, Lori Magnus (head) and Joanne Vitale.



# Varsity Short Flags

For the second year in a row, the short flag girls have twirled their way into Hoover spirit. Sue Holbrook, Julie Hodges, Mary McAustin, Joanne Martindale (head), Wendy Hoisington and Tracy Corran will always be an unforgettable part of Hoover's Pep Squad.

If you want a victory, lets hear you *spell it out.* V-VI-VICTORY

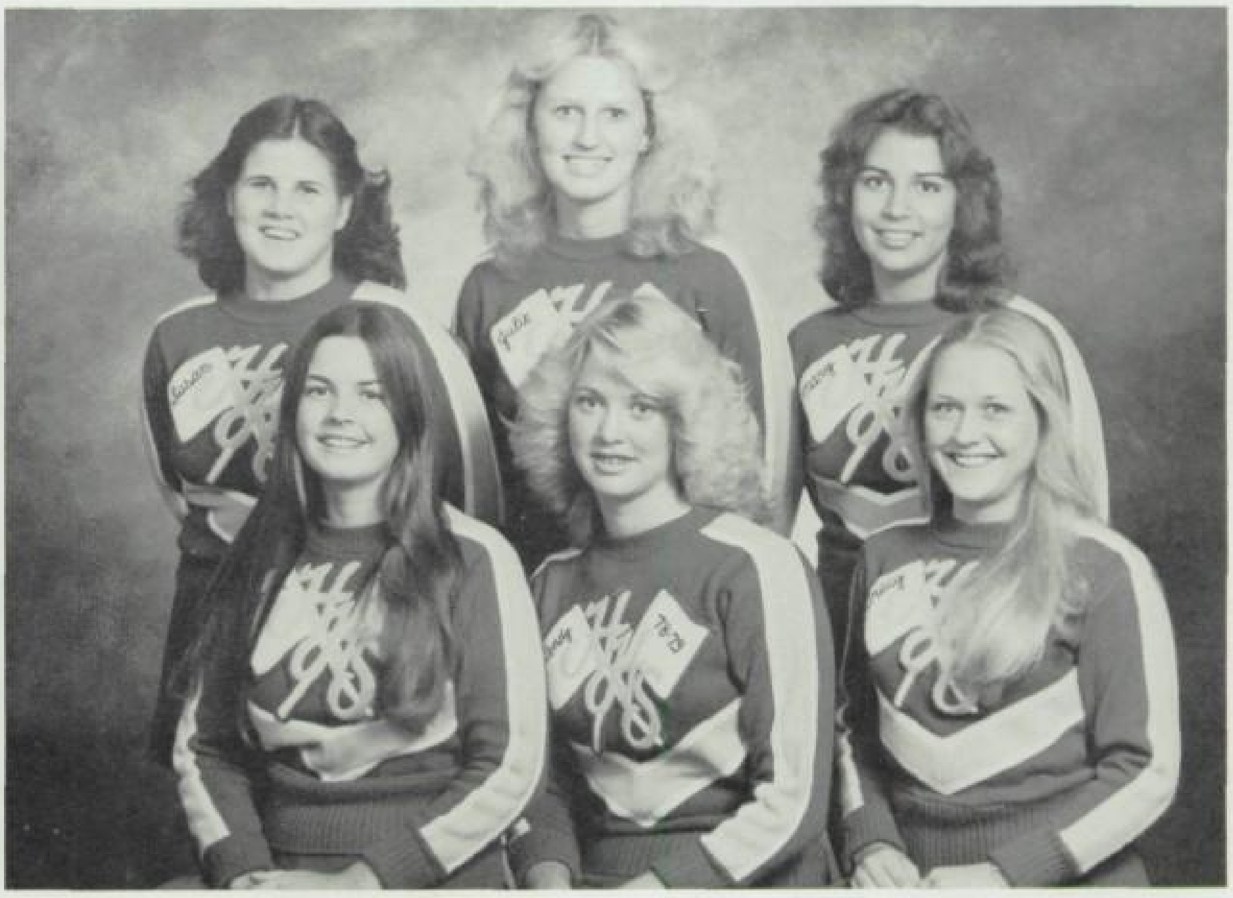
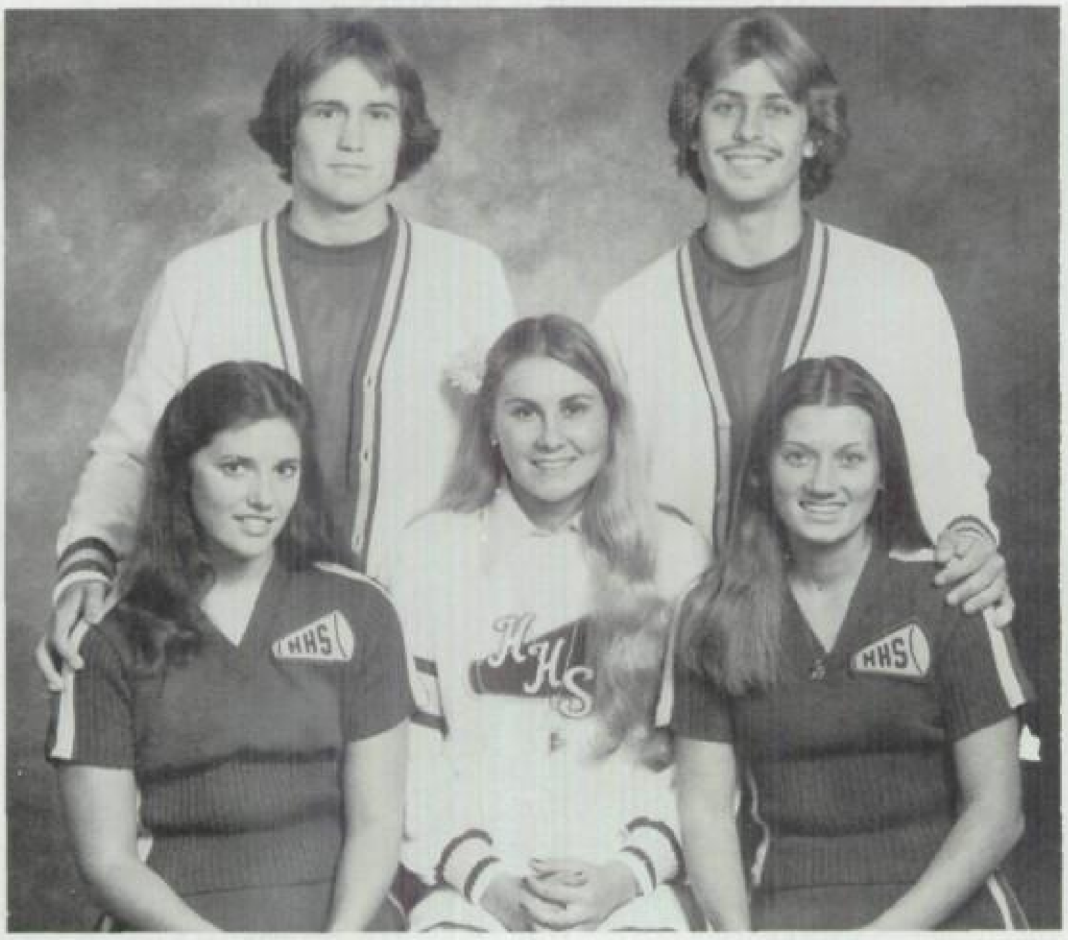
Come on out, let's hear you shout it out. V-VI-VICTORY

One more time for the cyclones if you would. V-VI-VICTORY



# Varsity Yells and Mascots

What is the first thing that comes to mind when you hear the words - "Hoover Yell Leaders?" The answer might be Bill Lewis, Bob Vivante, Darin Wood, Dawn Tate and Adele Grinde. They are distinguished by their big mouths, hoarse voices and fantastic spirit.



The sexy purple and white legs sticking out of the Tommy Tornado costumes belong to Lori Weiner and Chris Pondella.

Picnics on birthdays, purple lockers with special treats, and the smiles that never end are more examples of the J.V. songleader spirit. Cheer*ing the Junior teams to victory this year were Debbie Low, Pam Land*man, Elizabeth Milner, Lori Palmer, Andrea Platz (head), and Julie Wtz. Their spirit and unity earned them a special award at camp. Throughout the year the J.V. Song have proven that they're so Fine!

Never content to just be ordinary, the J.V. Yell leaders shocked the stands with some really wild and crazy maneuvers this year. They were Mary Reynolds, Mike Riggs, Robyn Doyle and Greg O'laughlin.

**Sophomore songleaders** were Anna Galvez, Maria Gonzales, Tina Satille, Susan Russell, Linda Koffman and not pictured was Chris Menchaca.

**Sophomore yell leaders** were Carol Fiske, Ross Bowen, Kathy Ryan and Chris Boyte.

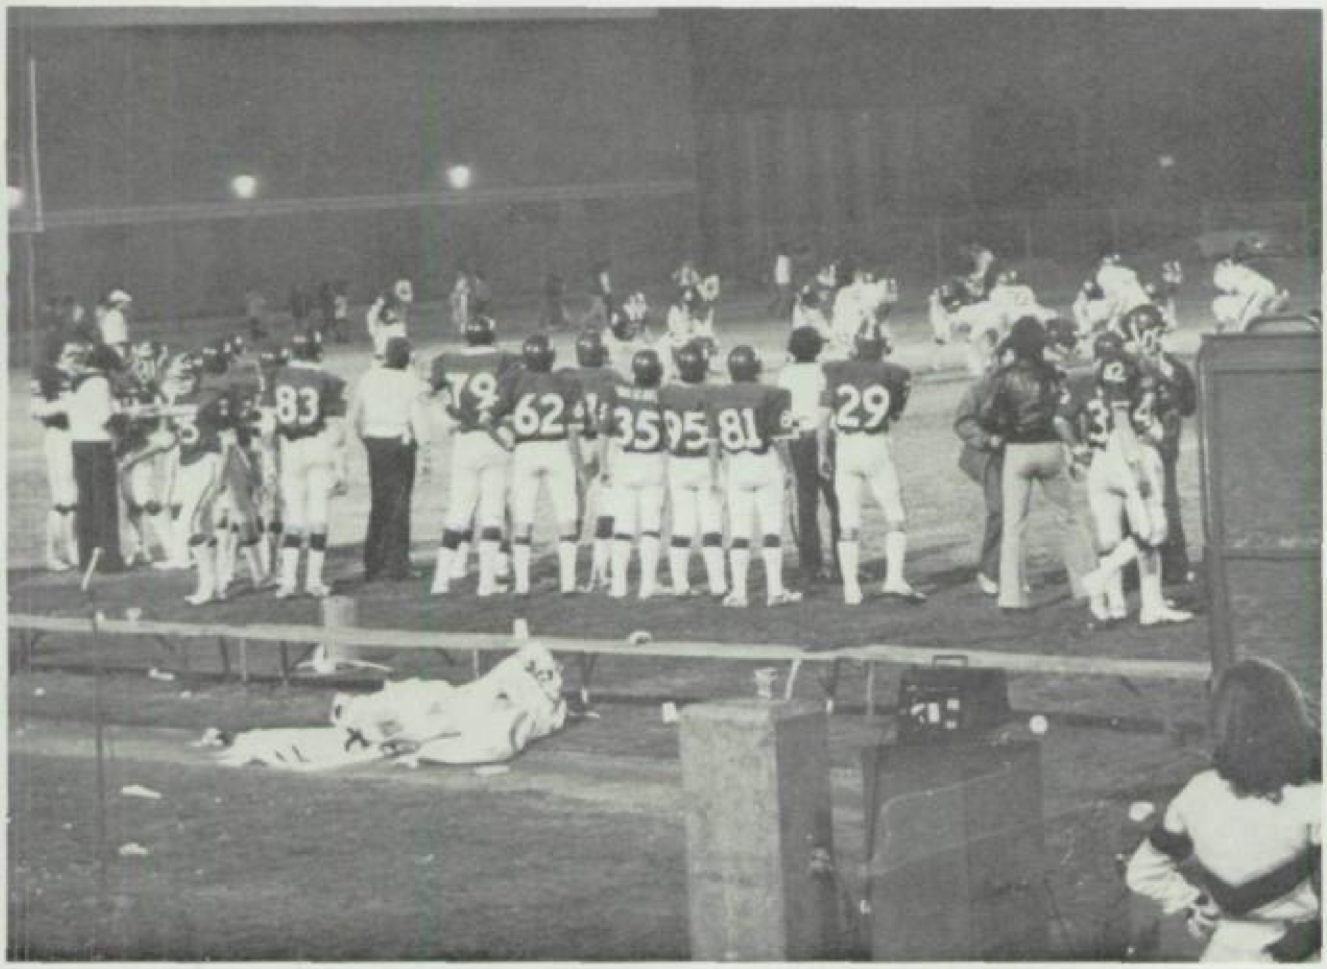
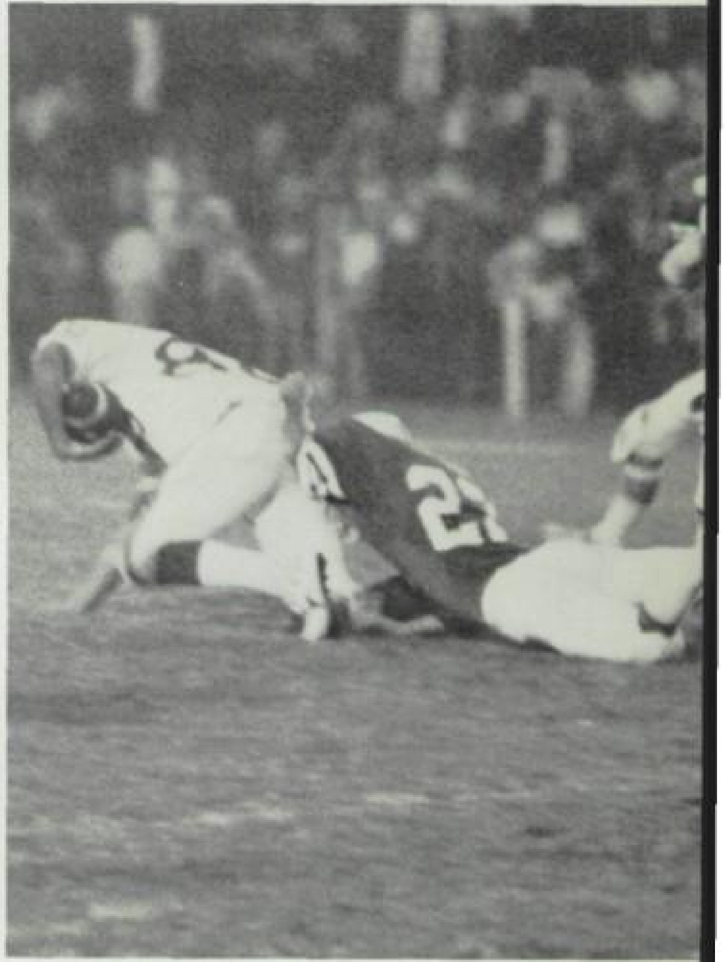
Can somebody find my contact?



. . . as the players look on.



After the passage of proposition 13, Hoover's football destiny was grim. There was a possibility of major financial cutbacks, as well as the loss of coaching positions. Through this uncertainty, coach John Huss praised the determination and dedication shown by the entire football squad. Their team effort paid off when they proved victorious in five games out of nine. When asked to credit the outstanding players this season, coach Huss replied, "It would be impossible to give credit to only certain players. Everyone gave 100% of their playing abilities."

* New C.I.F. Record

The Water Polo Team concluded one of its most successful seasons with an 8:3 record. Starting this season with only two returning players, tough workouts began during summer vacation. When school started, the practices were seperated into early mornings 7-8:15, and late afternoon 2:15-4:15 sessions. The players and coaches generated a lot of dedication and hard effort as Hoover saw them enter the California Interscholastic Federation competition. Most outstanding players were Derek Borisoff MVP and Mark Nerlick MVP and first all league, Best Defense was Bruce MacLeod and Most Improved was Randy Hoen.

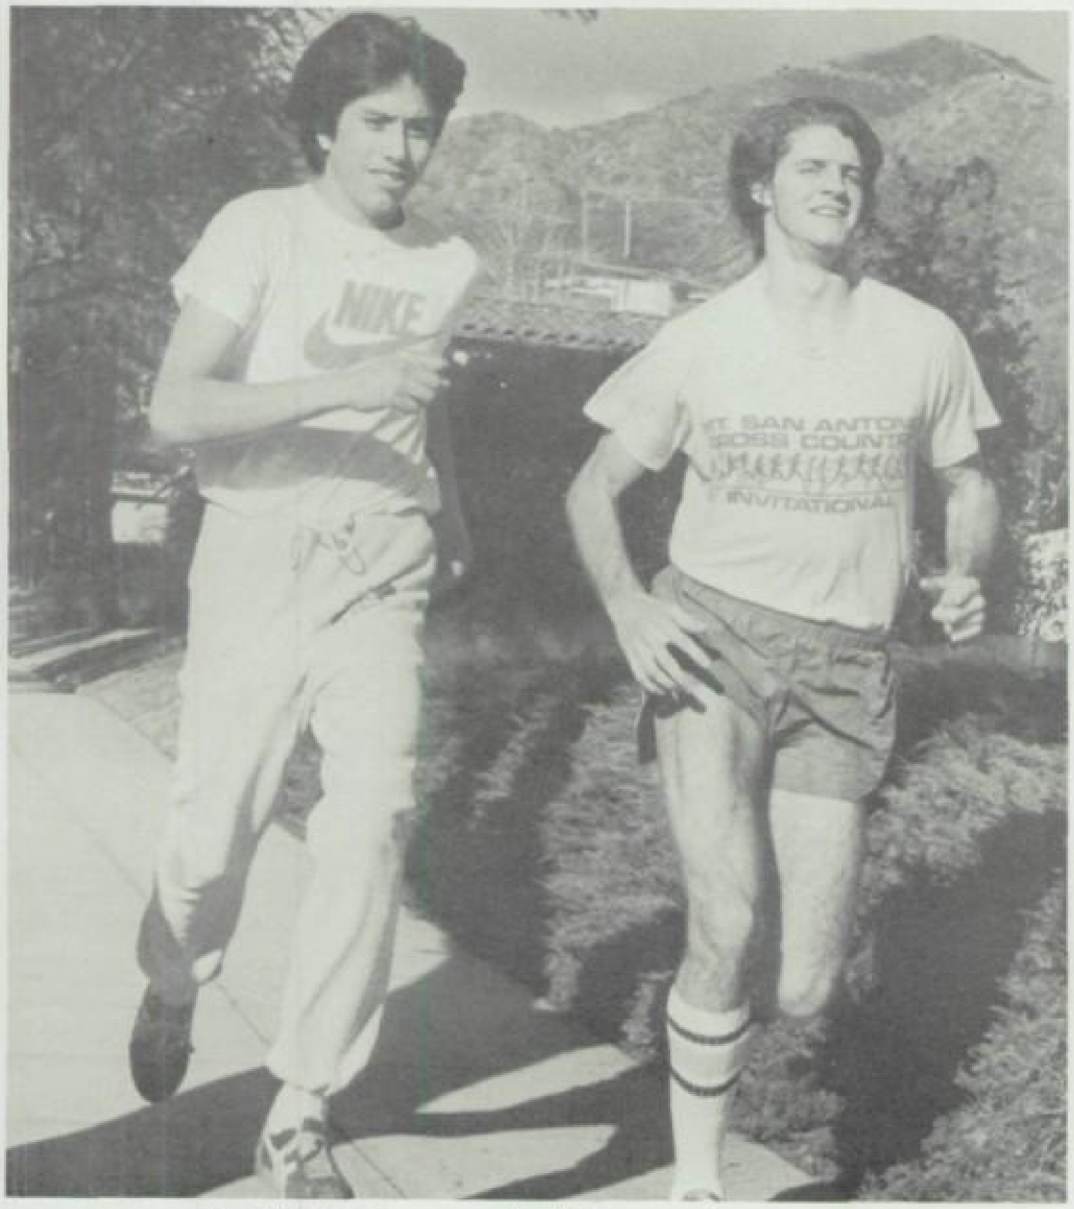
Lenny Shulman loves those practices.



And his feet never touched the ground.

Do we always have to wait for Burroughs to tie their shoes?

Dedication and teamwork are two of the main ingredients for success in any sport. Although the Hooer Cross Country Team had more then their share of these contents during the season, they experienced few difficulties. Coach Dave Herman commented, "Once my runners are in shape and have confidence n their ability the rest comes easily." This philosophy held true later in the season when Coach Herman emarked on the great improvements made by all who participated. Recognition should be extended to "the most valuable runners" Kathe Miller and Randy Hales as well as each and every member, since they ll carry equal importance when representing our school in competition.

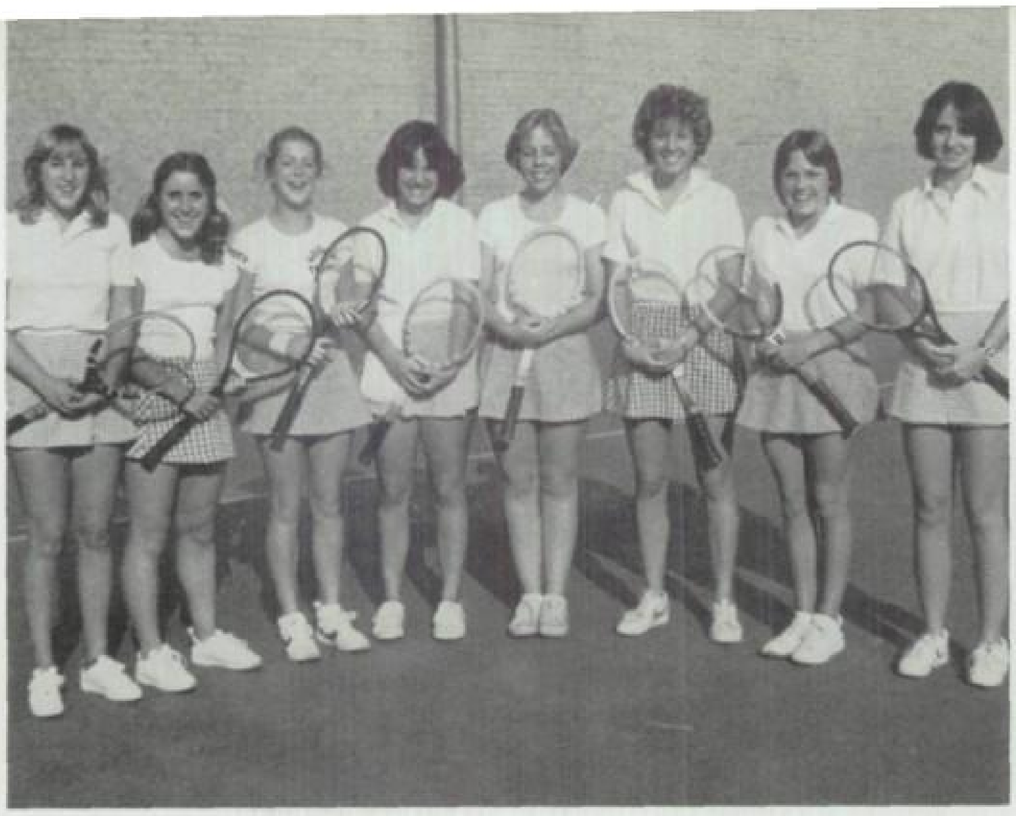
# Varsity, J V and C Volleyball

Hoover has always been acknowledged as having one of the most competent Girls' Athletic Departments in the Foothill League. Our volleyball season proved this statement to be true once again. During this past season no assistant coaches were available and the management of all three teams relied solely on Miss Carol Chaney. *"One of our main weaknesses this year was the lack of teamwork, on court they* did not work together as a team. Maybe if I had more time to work with each individual team we might have developed a better strategy from the beginning." Surpassing all their difficulties, the Varsity Team managed to come on top with a 6-5 record.



Varsity Tennis: Darren Pack, Karen De Wind, Christy Seanders, Lori Joseph, Kari Mergenthal, Terri Pearson, Stacie Bennett, Susie Bradfield.

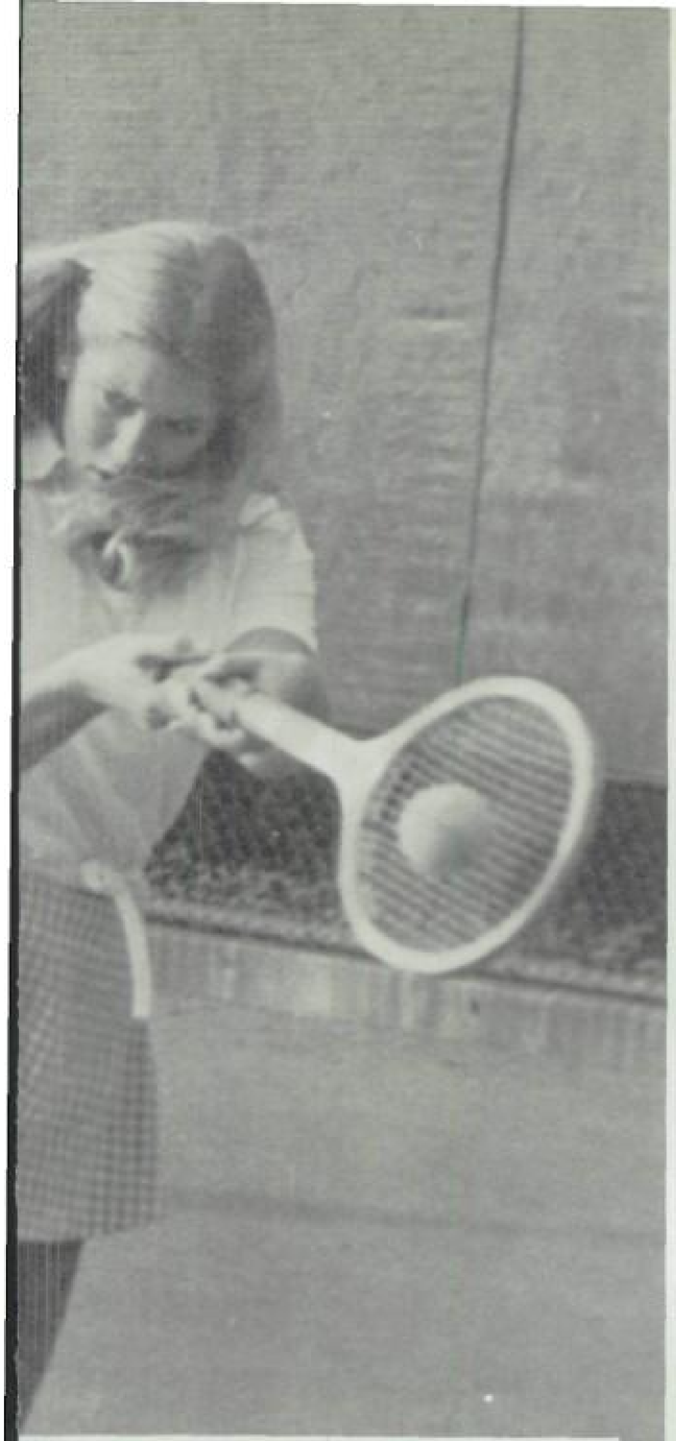
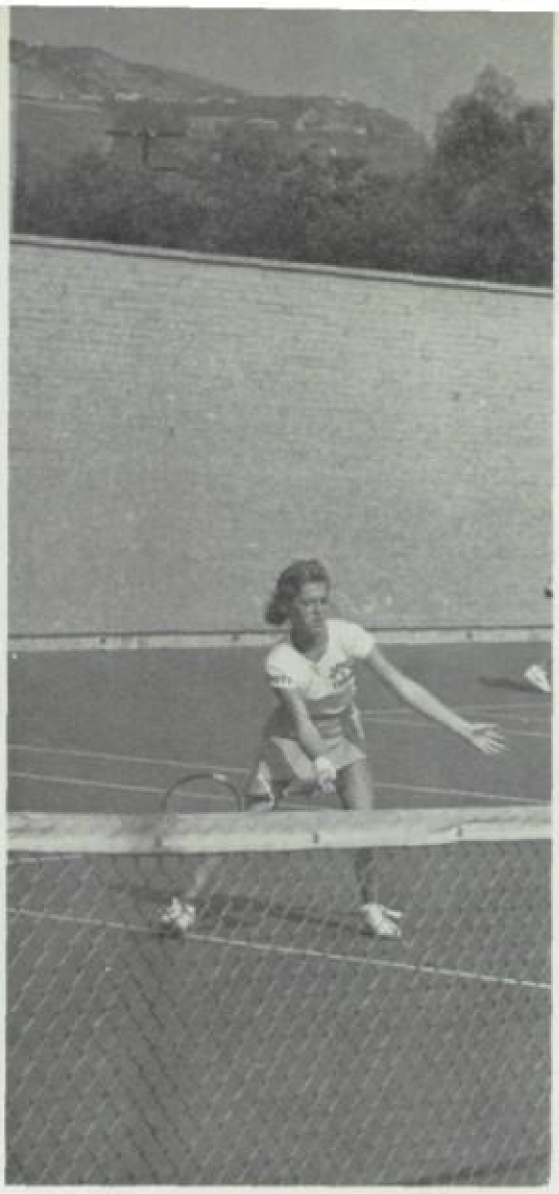
Hoover's Varsity Tennis ended competition with a 4-8 record. The 1978 sea
brought challanges for bothe the participants as well as for Coach Taufer. T
were forced with the task of developing a successful team from scratch, since
team consisted of few returning player. Chris Anders was honored with the titl
most valuable singles player and managed to capture the Foothill League Dout
Championship Title with the help of partner Lynn Willis.





Christy Sanders awaits the return.

Terri Pearson, ready for action.

Lucy Adonian concentrates on her return.

J.V. Tennis: R. 1: Susan Gary, Lucy Adonian, Roxana Smith. R. 2: Debbie Shader, Christy Gifford, Donna McDonough, Miwon Kwom, Marina Abramian.

Capturing the CIF Championship award, J.V. Tennis proved to have one of the most rewarding seasons. Beating two of the most toughest teams in the league Glendale and Burroughs. Their final record was 8:1 with 1 tie to Glendale. The strength behind J.V. Tennis was concentrated on the singles players. Outstanding players in this division were Sue Gary, Cathy McCullon and Marina Abramiam. Doubles had an equally successful season concentrating on strategy and teamwork. Much of the training for the J.V. squad consisted of afternoon drills, practicing different techniques on volleying and simple ground strokes.

**Evette Baiocco,** "I feel we have a good program, however we could use more support from the student body. After all we deserve equal recognition given to the boys athletic programs."

**Linda Kunz,** "The whole season could be considered memorable, since we have to take the good with the bad and learn from our mistakes."

**Ellen Gallagher,** "One of our biggest problems was the fact that we're a young team and only had 2 returning players, but we're learning a lot and improving steadily."

**Kathy Corbin,** "We need more teamwork as well as to be able to get psyched-up before the games, instead of during them, when it's too late."

**Kim Ziel,** "Burbank was one of our toughest opponents, because of their height, fast passing, and teamwork."

**Sue Holbrook,** "One of the major factors to the excellent coaching, is the extreme dedication displayed by the coaches. They work as hard as we do to have a successful season."

**Lynne Willis,** "We are fortunate to have a good coaching program, good relationships with one another, but we could have used more support from spectators."

Mr. Paul Diffley
Faculty President

Because Hoover's faculty attempts to provide the best academic environment possible for students, the teachers spend many hours doing research, preparing lectures, ordering supplies, writing tests & grading papers.

Knowledge is a major part of our educational development; however teachers realize that their responsibilities go far beyond these academic activities. They spend more hours motivating, pleading, hoping, planning & working with students. Hoover's teachers are really something special! No significant activities would take place without their enthusiasm & talent. They work with one goal in mind: to help each student realize his potential, socially as well as intellectually.

Through the years, Hoover's Modern Dance Class has proven itself outstanding. This year's theme "Gotta Dance" was just right. Its artistic achievements were delightful and well done. The theme originated from several hit Broadway shows. The Dance Class was a hit & displayed some really creative movements, time after time.

Hoover's Stage Crew was at its best during all the shows and performances, helping to highlight the performers to their utmost. The Stage Crew has mastered the fine technique of lighting design, sound engineering, and set construction.

Ooo, you make me live
Whatever this world can give to me
It's you, you make me live
Ooo, you make me live
Ooo, you make me live

You're the best friend
that I ever had
I've been with you such a long time
You're my sunshine
And I want you to know
That my feeling are true
I really love you
...e my best friend
...ou make me live

TO THE STUDENTS OF HERBERT HOOVER HIGH SCHOOL:

**I believe that my Grandfather's thoughts about "The Uncommon Man" ar as appropriate today as they were when written thirty years ago—see if yo don't agree.**

### THE UNCOMMON MAN

In my opinion, there has been too much talk about the Common Man. It has been dinned into us that this is the Century of the Common Man. The idea seems to be that the Common Man has come into his own at last.

Thus we are in danger of developing a cult of the Common Man, which means a cult of mediocrity. But there is at least one hopeful sign: I have never been able to find out who this Common Man is. In fact, most Americans, and especially women, will get mad and fight if you try calling them common.

This is hopeful because it shows that most people are holding fast to an essential fact in American life. We believe in equal opportunity for all, but we know that this includes the opportunity to rise to leadership—in other words, to be uncommon.

Let us remember that the great human advances have not been brought about by mediocre men and women. They were brought about by distinctly uncommon people with vital sparks of leadership. Many of the great leaders were, it is true, of humble origin, but that alone was not their greatness.

It is a curious fact that when you get sick you want an uncommon doctor; if your car breaks down you want an uncommonly good mechanic; when we get into war we want dreadfully an uncommon admiral and an uncommon general.

I have never met a father and mother who did not want their children to grow up to be uncommon men and women. May it always be so. For the future of America rests not in mediocrity but in the constant renewal of leadership in every phase of our national life.

— HERBERT HOOVER

**With this theme in mind, I hope that your school will continue to be source of "uncommon men and women" for the next fifty years.**

Sincerely,

Herbert Hoover III
